

Atwell Dining Table-Rectangle

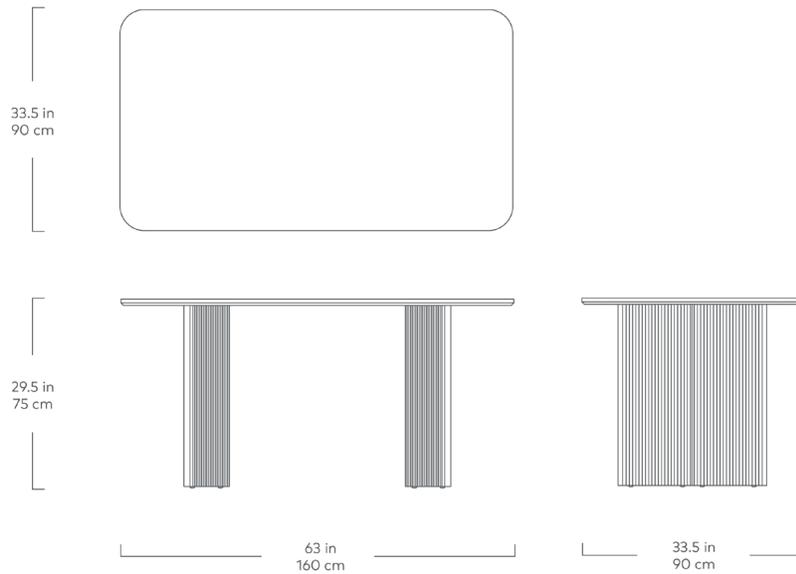

Walnut

Atwell is a contemporary table collection that draws inspiration from Neo-Classical motifs. Available as a round or rectangular design, this table features a striking dual chevron base with scalloped, solid wood detailing that feels both elegant and monumental. With warm wood grain throughout, Atwell borrows design details, like an exposed ply edge, from Mid-Century Scandinavian precedents. More than just a stylish dining table, this design's proportions are perfectly suited for use as a captivating desk. Choose the round version to seat four, or the rectangular to host up to six.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Atwell Dining Table-Rectangle

- Exposed ply, chamfered edge tabletop is constructed with engineered wood core for strength and stability, surface-faced with real wood veneer.
- Scalloped table legs are sculpted and crafted from solid wood that showcases contrasting grain details.
- Non-marking leveler feet can be adjusted for stability on uneven floor surfaces.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
- It is normal for solid wood to expand and shrink as a result of variations in environmental humidity. A consistent humidity level of approximately 50% is recommended to prevent cracks and surface splits.
- Manufactured to comply with California Prop Phase 2 standards.
- Assembles easily with provided hardware.
- Seats up to 6.
