

Podium Modular 3PC Sofa NEW

UPHOLSTERY > Fabric

The Podium Modular Collection is an adaptable seating system that brings modern elegance and luxurious comfort to any space. The Podium features seven core components (Right Arm, Left Arm, Armless, Corner, Ottoman, Left Lounge and Right Lounge) that can be arranged in unlimited configurations to suit any vision or layout. Components can then be easily reconfigured or added later to adapt to your evolving lifestyle. Each component showcases a relaxed silhouette inspired by 1970's Modernism: a low and deep sit created by plush seat and back cushions (filled with eco-friendly synthetic down derived from recycled water bottles), and an attractive, subtly angled, chamfered base. The frames are constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management.
